

Coloring & activity book for grieving children

Based on a true story, *Isabelle's Dream* takes readers on a heartwarming journey from grief to hope. The story unfolds as Isabelle mourns the loss of her baby sister Sophia, who, in a beautiful dream, visits from Heaven and reassures Isabelle of her continuing love.

This inspiring story gently begins a dialogue between parent and child—or between therapist and child—opening the door to emotional release and healing. The activity-book format is an interactive, therapeutic tool for grieving children.

Isabelle's Dream was featured in a past issue of *Redbook* magazine and was a two-time winner of a Florida Publishers Association President's Book Award.

SALE PRICE: \$1.99 per book
(Retail \$6.95)

SKU: ID

Features:

- **Black-and-white illustrations** and blank activity pages invite children to use their creativity and express their emotions through art.
- **Grief support resources** provided at the back of the book include "Seven Tips for Parents of Bereaved Children."

"Profound in its simplicity, this life-affirming volume is filled with both pain and triumph and most of all characterized by that rarest of qualities—wisdom."

— Dr. Earl A. Grollman, Rabbi and author of *Living When a Loved One Has Died* and *Talking about Death: A Dialogue between Parent and Child*
